

Get Reel on Climate Competition 2009

What would you say to world leaders to make them GET REAL on climate change?

The world will watch as country leaders meet in Copenhagen, Denmark in December 2009. This UN Climate Change Conference will be a critical milestone in global efforts to address climate change.

You can influence the decisions our leaders make.

Enter the **Get Reel on Climate Competition** to go the Children's Climate Forum (CCFC 09) and work with youth from around the world. There you will prepare a strategy to help world leaders stop the clock on climate change!

It may be the most important contribution you ever make!

How to enter a team:

1. Form a team of students (ages 14-17) who are passionate about climate change!
2. Download the entry form and contest rules from: www.unicef.ca/getreelonclimate
3. Create a video of five minutes or less. Tell us how you would convince leaders to take **real** action on climate change.
4. Upload your video to YouTube and submit your entry form by **Thursday, October 8 at 4:00 p.m. EST.**
